In 1984 Alex married Lisa Marilyn Baker in Manotick, Ontario. Alex was 24.

In 1988 Alex began collaborating with his father-in-law, Ralph Baker, in the international sales and production of satellite recorder control systems. Alex's company, TeraScope, manufactured and installed the systems while Ralph led sales activities.

In 1989 Alex founded the company TeraScope.

Alex later held senior management roles including Director of Business Development at Lansdowne Consulting Inc. and Director of Canadian Sales and Marketing at Marconi Canada.

Alex led EXA Consulting to become Canada's leading capture and proposal support firm.

Alex's work allowed him to undertake extended assignments in several countries including the United Kingdom, France, Germany, Israel, Saudi Arabia, the United States, and Thailand. Within Canada he worked on assignments in Vancouver, Edmonton, Winnipeg, Toronto, Montréal, and Halifax.
